

TQUK Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation

This course will give you a Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation.

To complete our AED and CPR course four hours contact time are needed with one of our professional trainers, in which we can teach a maximum of 12 learners. Our trainers will bring the training version of the AED you have on your premises, or a generic unit if that suits better.

Our students will learn about:

- Heart conditions and sudden cardiac arrest
- Basic Life Support (including CPR training)
- Resuscitation Council (UK) guidelines (and any updates they have made)
- AEDs - what they do, how they do it, and how to use them

This course is registered with TQUK (Ofqual approved).

What's Included:

- Professional Instruction
- All course materials
- Glossy A5 AED user manual
- RQF qualification valid for 3 years
